Telemetrio closes new round of finance *Investment round led by North Star Partners*

Lathrup Village, MI: Today, Telemetrio LLC, a Michigan company specialized in the management and analysis of youth and recreational sports, announced that they have received a new round of financing from an investment syndicate led by North Star Partners, a private equity firm based in Bloomfield Hills, Michigan.

Regarding this important milestone, Telemetrio CEO Marco Cucco said, "Reaching this agreement and getting access to these funds will allow Telemetrio to bring an exciting set of features to market, and expand its reach across the US."

Telemetrio will now invest this rounds' proceeds to deploy some key features to its growing audience:

- Live and on-demand game broadcasting
- Soccer drill libraries
- Practice scheduling and management tools
- Remote coaching tools

"North Star Partners is proud to be a part of the Telemetrio Team", President Joel Dorfman says. "We are confident that this investment will pay great dividends in the future. We look forward to participating in this adventure."

Telemetrio LLC is a software company based in Lathrup Village, Michigan.

Founded in 2013, Telemetrio is in the process of releasing the new version of "Stadio": a web platform for youth and recreational players. With Stadio, players, families and coaches can view, analyze and share their games.

North Star Partners, LLC (NSP) is a private equity firm headquartered in Bloomfield Hills, Michigan, specializing in banking, music publishing, equity investment, refrigerated warehousing and real estate development. North Star Partners operates a diverse and growing number of individual businesses supporting our long term growth strategies.
